

Territory 2.2

Our new administrator Mira started to work in “Be Smart” language centre. Vira is getting ready to be a mum 😊.

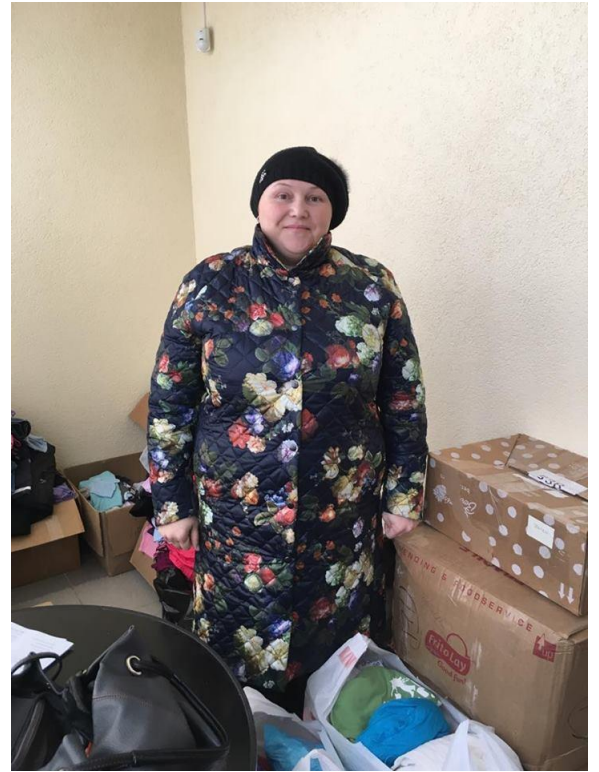

We have clubs for youth and kids every other Saturday. Kids could hear about the history of Thanksgiving Day, played games and ate home-made treats. American missionary in Ukraine Dale

Kay Miller shared the story of this day.

Widows meet regularly in our centre. Right now we give the winter clothes to them from individual sponsors and foreign missions.

On December 19 Slava and her husband go to Kenya for a month with the team from their church. They will organize two camps there, provide food and medical care in the desert and also support the local Christians and missionaries.

Please pray for their time there and also for her kids that stay at home.

Merry Christmas! God bless you in the following year to be a blessing to many!
